1. Start Here

Auracast speaker with Bluetooth for easy expansion

- Join **Auracast** broadcasts for shared listening
- Use **Bluetooth** when listening on your own

Power Behavior

Turns off after 60 mins without audio even when plugged in.

[Update firmware to **Keep it ON.**](#) ↗

Next

2. Quick Start

Power On & Start Listening

- When powered on, Harmony A2 Solo auto-enters **Auracast** mode.
- The speaker scans and auto-joins nearby broadcasts

 **Joined:**  LED turns **solid orange**.

You're all set. No pairing required.

Next

3. Battery & Charging

3.1 Charging

- Use the **included** USB-C cable
- **Charger:** 5V / 2–3A
1A chargers may not (fully) charge the speaker.
- **Charging:** LED **solid red**
- **Fully charged:** LED **off** (3–5 hrs)

Please use a reliable USB charger.
[View recommended charger.](#) ↗

Next

3.2 Battery & Power Behavior

Battery Life

- Playtime: Up to **8 hrs**
(varies by volume)

Power Behavior

- **Can be used while charging**
*(requires a **5V/3A** charger)*
- **Auto Power Off**
*Turns off after **60 mins with no audio** playback to save battery
(even if a broadcast is joined)*

 [Update firmware to **Keep it ON.**](#) 

Next

4. Listening with Auracast

4.1 What Is Auracast

Auracast lets **one** audio source broadcast **to multiple** listeners at the same time.

Perfect for:

- TV listening
- Classrooms
- Public or shared spaces
- Group listening without pairing
